To the Zoning Board of Appeals,

This office is in receipt of a copy of the proposed 40B project for a parcel of land in Marshfield identified as G12-29-02. On preliminary review, it appears that this parcel is landlocked and is proposing access to Ferry Street over a Right of Way on 2 parcels of town-owned land under the jurisdiction of the Board of Selectmen. If you are in receipt of any documentation (deeds, etc.) that puts these parcels under a different Department, please forward them to the Assessors' Office as soon as possible.

Thank you for your cooperation.
